

## Internship Description Market Gardening

### Work Area

- Approximately 4000 m<sup>2</sup> of total garden space
- Market garden: efficient, organic gardening on a 250 m<sup>2</sup> area, teaching cultivation techniques and methods for market gardening, introduction to various vegetable crops

### Conditions

- Internship duration: at least **1 month**
- Period possible from **March to September**
- Mostly **in the mornings**, depending on the opening hours of the market stall, internship hours are arranged individually
- **Flexible working hours**

### Tasks

- Harvesting and preparing rare fruits and vegetables for sale
- Managing and stocking the market stall
- Advising customers
- Cultivating market vegetables
- Compost preparation, bed preparation
- Assisting with events

### Requirements

- Gardening knowledge is beneficial but not required!
- Interest and enthusiasm for gardening
- Physical resilience
- Openness and teamwork skills - respectful interaction with colleagues as the basis for a good working atmosphere
- Independence, initiative, reliability and punctuality

### What we offer:

- Extensive knowledge of market gardening, vegetable diversity, and biodiversity
- Introduction to different marketing methods
- Cooperation with various people
- Surplus harvests for free!
- Free participation in our workshops for adults!

### How it works:

1. Send an internship request
2. Arrange a taster day
3. then, if interested, agree on an internship period
4. Regular feedback sessions during the internship
5. Completion with an internship certificate
